Alyssa thanked the PVN for volunteering and serving the school. She talked about the year so far with the limiting covid restrictions and announced there will be an additional week off added to winter break as a gift to our teachers for all the extra tasks they've taken on during the 2020/2021 school year. Our school is doing great and word of mouth is a perfect way to promote growth and enrollment. Lets share the good news about TBS with our friends and acquaintances. Alyssa also stated the school is looking for ISC employees and that we are selling the H building and revamping the A building.

We went over the christmas store operations. Set up after this meeting, who will be there on preview day, who will be there for what shifts on what days for shopping, tear down, etc.
