Open Issues

Thank you cards need to be signed and given to Carrie Fisher to be sent to Christmas store volunteers. Will work on during this meeting

Anna is in need of more supplies for staff/teacher birthdays.

Savannah mentioned being interested in the Christmas store operator position for next year.

New Business

Debi went over financials.

The Christmas store was a real hit this year! The kids came to shop the first day and we quickly ran out of items for purchase. Several trips to the store were needed from different volunteers to help restock for the following store shopping day. We may need to start acquiring store items beginning this summer to be prepared for 2021 shopping.

Class Valentine parties are coming up on February 11th and Magan asked how room parents were doing so far and if secondary room parents needed any PVN support. All seems to be well.

Valentine's day "val-o-grams" will be happening again this year for students and parents/guardians to purchase. The sophomore class will be in charge of the event and money raised will go to support them with any activities they need funded.

"Breakfast of champions" on February 23rd briefly talked about. Looking for a caterer.

Sue Ellen talked about the school auction this year and how it will be virtual again like the previous year to accommodate covid restrictions. More to come depending on how our state moves forward if the lifting of restrictions continues.

Teacher appreciation week coming up in May. Need to start brainstorming ideas. A "heroes" theme was mentioned and all seem to be in agreement on it. A food truck, bliss ice cream truck, or a coffee cart were all great ideas brought up. We need to assign events/items to gift to the teacher for each day of the week. We will finalize plans at our next meeting.

Adjournment

Meeting was adjourned at 9:30am by Megan Wendtland. The next general meeting is February 9th, in the G building at 8:30am.
